Steyping Council Meeting **October / November 2013**

Dog Fouling Day of Action.

Friday 01st November saw members of Bramber, Upper Beeding and Steyping participate in a community day of action against dog fouling. Volunteers, Wardens, Junior Wardens, Councillors and myself attended the Steyping Memorial Playing Fields for a press photo to highlight the dog fouling nuisance, and educate dog walkers on the dangers that it can create.

The day went exceedingly well, hundreds of flyers were handed out along the High Street to members of the public and the whole event was very well received.

Remembrance Sunday & Armistice Day.

I attended remembrance services on the 10th and 11th of November to pay respect to members of the services that lost their lives during the war.

It was a pleasure to take part in the service and lay a wreath on behalf of Sussex Police.

Operation Davos.

I took part in Operation Davos - this operation was set up to deter anti social behaviour in south Horsham in relation to Halloween and Bonfire Night. The evening was a success and there is a full report in the West Sussex Gazette.

Other news

I am still trying to improve Neighbourhood Watch coverage in Steyping, if you are interested in joining up to a scheme or run one as a NHW street coordinator, please speak to me. (My contact details are below)

On the 18th of October, a gentleman tried to buy goods from several shops along the High Street with a fraudulent £20 note. I am linking in with shop owners to start a local Shop Watch scheme along Steyping High Street, shops taking part will be able to share information on suspicious customers by communicating with each other and by using the right equipment to detect fake notes.

Neighbourhood Panel Priorities: - Next meeting is on 21/01/14 at the Upper Beeding and Bramber Parish Hall 19:30.

Current priorities:

1. Promote Operation Crackdown - This is an online website designed to tackle anti social driving.
2. Dog fouling - Including a local day of action.
