

# Steyping Parish Council Police Report

## September 2014

### **Reference 1114 15/08/2014 – Burglary, Kings Barn Lane.**

A property located on Kings Barn Lane was bugled between 13:40 – 13:50 on Friday 15 August 2014. Cufflinks were stolen from the property during the break. One male suspect has been arrested, questioned and released on police bail regarding the incident, enquiries continue.

### **Anti Social Behaviour.**

Reports have been made of youths hanging around Steyping Grammar School in the woodland area at the back of the School field. I will add this area to my local patrols and link in with the Neighbourhood Wardens.

### **Community Safety Partnership Event.**

On Tuesday 02 September, I participated in Horshams District Councils Community Safety Partnership multi agency event in Steyping. Members from West Sussex fire brigade, Sussex Safer Roads, County Council, Horsham Well-being & the police took part in the event and handed information to local residents on a range of topics. During the event I property marked 2 bikes with the Operation Velo bike marking stickers, this proved very successful and I will be looking to hold more events in the future to promote the service and mark bicycles.

### **Come and meet us.**

Steyping Library, 10:00 – 11:00 01/10/2014.

Please come and speak to PCSO Tom Slaughter about any local concerns or issues you have.
