

Steyping Parish Council Police Report

October 2014

On Wednesday 10/09/14 I visited Elan Nursery to talk with the children regarding stranger danger and road safety awareness. The children really enjoyed trying on the police hats & helmets and many of them had their picture taken in the police 4x4 vehicle. I will be reattending later in the year to speak to another class regarding similar safety topics.

During September two bikes were stolen from Steyping Lower Schools bike rack. CCTV has been seized from the school site and information disseminated to Steypings Neighbourhood Policing Team. Sussex police have been promoting Immobilise, a free property register where you can list valuable items that have a unique reference code. Operation Velo has been set up across West Sussex to trial a new way of marking and registering pedal cycles in an attempt to reduce theft in town centres and other hotspot areas. Please contact me if you require any further information regarding these free schemes or any crime prevention advice regarding cycle security.

During the evening of Sunday 28/09/14, a vehicle parked in Fletchers Croft car park was covered with baking flour, although there was no permanent damage sustained to the vehicle, it was a major inconvenience to the owners. This location is a regular patrol zone for local Wardens and police officers, we will continue to monitor the area with patrols.

Small pouches have been found on the Memorial Playing Fields, these bags are believed to have contained drugs. CCTV is being viewed by the Neighbourhood Wardens and we continue to patrol the area.

Come and meet us.

Steyping Library, 10:00 – 11:00 05/11/2014.

Please come and speak to PCSO Tom Slaughter about any local concerns or issues you have.
