

Your Neighbourhood Wardens

The Parish has two Neighbourhood Wardens who will assist the community by:

- Provide a reassuring, uniformed patrolling presence.
- Provide an efficient eyes and ears service aimed at reducing fear of crime for residents in the community and improving the quality of life.
- Deal with environmental crime issues, notably dog fouling, and help to preserve the environment with playground inspections.
- Reduce incidents of criminal damage and anti-social behaviour by taking enforcement action where necessary and within our remit, improving community relations and, where necessary, making referrals for enforcement activity.
- Support the community by encouraging the establishment of diversionary activities for young people.
- Support vulnerable members of the community by preventing isolation.
- Offer advice on crime prevention and fire safety in the home.
- Work in partnership with other agencies to help benefit the community.
- Act as professional witnesses.
- Ensure that the Parish is benefitting from the full range of services and provisions from both local and national government agendas.

What we don't do:

- Neighbourhood Wardens are NOT a replacement for the police.
- We are not an emergency service or response team. Crime and anti-social behaviour should be reported to the police directly.
- As we are not in the Parish 24/7 there will be times when neither warden is on duty.
- We do not have the ability to issue parking tickets or enforce parking contraventions, although we will happily issue words of advice.
- When dealing with the elderly and vulnerable, we are not there to provide a care service but we are able to direct to the relevant agencies.

If you wish to speak to the Wardens on any matter in confidence please call them direct or leave a message on the office phone.
