

Steyping Parish Council

Neighbourhood Wardens Report June 2017.

Anti-Social Behaviour and Crime

We have had a report regarding youths congregating in the old ATC hut in Mouse Lane. We now carry out daily patrols of the area especially in the evening.

During the recent heatwave we had a number of calls from a resident whose house backs onto the memorial playing field. A group of young people had been causing a noise nuisance and were playing football close to their garden and the ball was frequently being kicked into the garden. We have since spoken with the group and they have moved the mobile goal away from the fence area.

We have had reports from a resident in Laines road complaining that dog fouling is recurring along the service road that backs onto resident's houses. We have stepped up our patrols in the area.

We have had a report from a local farmer that there have been youths in his haybarn near Staplefields chucking bales about. We have now included the barns and surrounding rural areas in our daily patrols.

We have confiscated alcohol from a number of underage youths congregating in the footpath at the end of Coxham Lane.

Community

We continue to run our social club at Dingemans and have organised trips to A Garden Centre in Horsham and a Tea Room in Amberley.
