### Neighbourhood Wardens Report September 2016

#### Anti-Social Behaviour and Crime

On the 4<sup>th</sup> of September an insecure garage was broken into in Castle Lane and cash was stolen from a car.

On the 5<sup>th</sup> of September there was a report of a vehicle break and a garage break in Jarvis Lane. Police conducted an area search following the report but nothing was stolen.

On the 23<sup>rd</sup> of September we engaged with a large group of teenage revellers in the Apple Orchard part of the memorial playing field, We confiscated a large amount of alcohol from under age drinkers and instructed youths to clear litter. We have had reports of anti-social behaviour in that area and also in the Rublees Allotments and are stepping up patrols in the area.

We continue to monitor the green space near Steyping Grammar School following complaints that young people are congregating there with cars and are causing a noise nuisance.

We have had reports from a resident regarding young people who are carrying and lifting a mobile football net over and into Chandlers Way open space, residents are complaining of rowdiness and noise nuisance coming from the area. We are stepping up our patrols of the area but have yet to engage with anybody.

#### Community.

We supported a Fete for older people that took place at Dingemans Centre held by Age Uk and Impact Services. We continue to run our Thursday afternoon club and support of Vintage Years.
