

Further response to FOI received 30.12.15

Dear

Thank you for your email which has been passed to all Councillors.

With reference to your previous email, noting a letter of 25.02.13, I have tracked down two documents; please see pdf attached, which includes a letter from HDC dated 25.02.13 outlining the conditions associated with the funding, an agreement confirming an allocation of grant funding from HDC (also referring to WSCC) in support of Community Youth Work proposals and a copy of the invoice that SPC were required to submit to HDC to obtain the funds on behalf of the cluster.

Kind regards

Rebecca Luckin
