Dear 

**Re: Freedom of Information Request 14<sup>th</sup> October 2014**

Following your recent request for information under the Freedom of Information Act 2000, please find enclosed:

1. Copies of all documents held by Steyning Parish Council relating to the basis of ownership of the land each side of Abbey Road known as the Abbey Road Open Space.
2. Steyning Parish Council's Asset Register
3. Steyning Parish Council Land Register

You also requested documents relating to the basis on which the public has enjoyed access to AROS from the time of acquisition to date. I can confirm that I have found none.

Steyning Parish Council charge 6p per A4 page for photocopying and would be pleased to receive £2.10 for providing 35 copied A4 pages.

Kind regards

Rebecca Luckin  
Clerk to Steyning Parish Council
