

SPC Response to Freedom of Information Request received 30.12.15

Dear

With reference to your FOI Request of 30.12.15, I have undertaken an investigation and also contacted the previous Clerk, to be sure of the process of events.

The WSCC grant funding was transferred directly from WSCC to SAYS and did not pass through the SPC accounts.

In order for SAYS to receive grant funding from HDC, the Parish Councils were required to invoice HDC for the funds on behalf of SAYS – please see invoice attached.

The transfer of funds, from HDC to SAYS, was made via the SPC account. The funds were never the property of SPC, therefore no authorisation was deemed necessary, although the March I&E Report agreed by F&C on 05.03.2013 included reference to the transfer.

The Bongo van and documents were transferred directly from WSCC to SAYS, therefore SPC hold no documentation on this matter.

Kind regards

Rebecca Luckin
Clerk to the Council
