I/We fully understand that:

- a) *the Cemetery at Botolphs is a rural cemetery, visible from great distances and must therefore conform with its surroundings*
- b) *it is the policy of the Joint Parishes Burial Board to have the Cemetery at Botolphs maintained as a lawned cemetery. Graves/Cremation plots will be left to settle; then will be lawned and maintained with the surrounding areas*
- c) *should I/we wish to place a memorial headstone on the grave or a memorial tablet on the cremation plot, it will conform to the Board's regulations regarding such memorials and permission will be sought, in advance, from the Board. (Arrangements to be made via the Clerk of the Board).*
