

Subject: Grants to small charities and community groups

Hello. I am writing from Sussex Community Foundation.

We are a local Sussex grant-maker and wondered whether you would be kind enough to circulate information via your newsletter about our grants to small charities and community groups in your area?

If you'd like to sign up to our Grants e-newsletter to be kept aware of funding opportunities. If you'd like to receive this information, you can sign up here: www.sussexgiving.org.uk/newsletter

Our next deadlines for grant applications are Friday 12 January 2018, followed by Friday 4th May 2018.

In particular, we are keen to hear from groups in West Sussex supporting older people and/or people at risk of homelessness, and groups in Mid Sussex supporting children and young people.

Since 2006, we have given over £12 million in grants to smaller charities and community groups across East and West Sussex, and Brighton & Hove. For more information about us, please visit www.sussexgiving.org.uk

With best wishes.

Since 2006, we have given £11 million in grants and are building an endowment fund for Sussex that will continue to support Sussex communities for many years to come.
